

Hi Everybody

TMOR is just around the corner. We have organised an informal powerboat training session with Ian Mason for people that are interested in helping out on the safety boats over the TMOR weekend and for EACC events over the course of the year. This session is suitable for new people interested in helping out and those who want to renew/improve their skills. There is no cost to this session as Ian has volunteered his time to help the club.

This session will take place in Thurne on Saturday 12th May. Please meet Ian at Thurne Dyke at 10:00, with it finishing at around 16:00. You will need to bring a buoyancy aid, a packed lunch and suitable clothing for the weather conditions.

Unfortunately there are limited spaces so please register your interest ASAP. If you are interested in this training session please send me an email at sam4zero7@hotmail.com

This is not an official RYA level course but if you are interested in doing an official course please let me know as if we have enough interest this is something we can look into running later on in the year. An official course would incur a cost.

Many Thanks,

Sam May
