**Builder: A.D. Truman of Oulton Broad**

Bermudan Sloop rig, with **Centre cockpit** and 4 full length berths in 2 separate cabins

### Construction:

Strip plank, originally mahogany on oak, with timber mast/spars, and an A-frame with winch for mast lowering/raising.

**Engine:** 9hp Volvo Penta inboard diesel (rebuilt 1999) with folding propeller

**LOA:** 8.08m (26ft 6in) **Beam:** 2.54m (8ft 4in) **Draft:** 0.86m (2ft 10in)

**Air draft:** approximately 1.78m (5ft 10in)

**Ivory Gull** in the Three Rivers Race 2010

With her two separate cabins, the Truman Calypso 27, "Ivory Gull" is an ideal family 'Broads' sailing cruiser. Purchased by her current owners in 2002, *this example has undergone a constant programme of upgrades and improvements*. She is currently lying afloat and in commission. Last full survey was January 2009, but the undersides were inspected ashore August 2013. Deck/cabin sides joint resealed, and cabin roofs, deck and toe rails were repainted June 2014.

## Rigging & Sails

New Mainsail and halyard, and foresail (Jeckells), - 2008

New mast (Peter Charleton), shrouds (Jeckells) and forestay (Norfolk Marine) - 2011
